- CCF Space Grant - revisit
- Community Meeting
- Planning & Development Committee – Strategic Plan

Discussion:

Chris stated Devon would be assisting him with the P&D Committee Strategic Plan; define and chart future course; What is Mission & Vision; get input from CoC membership using various strategies and goals to achieve that; how to get to 5-year goal and how to measure; Use of Hope Center, Day Resource Center and housing into the CoC; invite CF Health and Womack along with City Mapping; see if Health Services would be willing to give to the CoC 1% of their savings from better aligning homeless with health care other than ER; need to get Downtown Businesses on board with how to impact homeless through their giving to the CoC monetarily; Dee stated that HUD requires plans for effectively discharging out of shelter facilities mental health or correctional facilities; Chris stated P&D was looking for CoC's idea about what to do in the next 5 years.

Space grant – will go back over this to ensure everyone understood what all was presented; Community Meeting on May 3rd at 4:00 pm – Chair asked that the agencies respond concerning attendance; Chris wants to add P&D committee idea to this agenda
Tawana closed in prayer. Meeting was adjourned.
